Equal Suffrage Has Drawbacks

Collection of many thousand dollars additional capitation tax in the State by reason of full citizenship being extended to women, and many additional thousands will be collected from personal property that has here tofore escaped the assessors, is expected by officials.

Women, as men, now are liable for the assessment of all personal property they may hold, and it is considered probable that this will amount to a considerable sum in the form of jewelry and other personal property that doting fathers and husbands have conveniently overlooked in their assessments.

Whether a woman registers and pays her capitation tax or not she is made liable under the law for the assessment and payment of personal taxes, and it becomes the duty of tax assessors to find and assess her property. It is the opinion of tax officials that many thousands of dollars' worth of diamond rings and other jewels escape tax payment.

Buckingham

Fat cattle are for sale here and those who own them cannot even get buyers to come and look at them, although the prices are reasonable.

Mr. and Mrs. H.C. Groseclose are again occupying the Noble house, which is now owned by Mrs. H. C. Garnett.

There was a picnic party which went from here in automobiles to Willis' Mountain on last Saturday evening.

Mrs. Kate Patteson Thorington, of Alabama, is expected soon to visit at Mount Pleasant, the hospitable home of her uncle, Mr. G. W. Patteson.

The salaries of the teachers in the high school here for the coming session will aggregate the sum of $6,055.

Miss Janie Christian expects to teach school the coming session in North Carolina.

Mrs. Walter Garnett is staying at the home of Mr. and Mrs. A. C. Garnett, where she will soon be joined by her husband for a short visit.

Messrs Frank W. Childress and Henry Whorley went to Lynchburg on business last week.

Farm hands are trying to put the price of day labor up to $2 50 and $3 a day, just as the price of other things are coming down.

There is no cannery here, and tomatoes find no sale at all, and everyone seems to have all they need.

The weather for the past week was just what the growing crop of tobacco needed, and many farmers are busy cutting; and they say that worms put in their appearance for the first time.

An order for job printing will have prompt attention at the office of the Times Virginian. The work is well done and the price is in keeping with the price of other things.

A preacher was heard to say about this: It is much easier to preach a good life than it is to lead a good life. How true!

I heard Rev. Mr. Stimson preach on the subject of prayer on Sunday morning, and it was a powerful appeal to his hearers to go to God in earnest prayer.

It is now reported here that young Raymond Barker, who is alleged to have been shot by Wyatt Pendleton, has died in a hospital in Richmond.

Mr. Peyton Moss is located at Hamilton, Martin county, N. C., about 80 miles from Norfolk, and has charge of a high school there as principal.

Mr. B. A. Seay is running his flour mill at Dillwyn, with a capacity of 28 barrels in a day and night. And while the mills that are run by water power have been hampered by excess of rain, Mr. Seay has kept on grinding. "It is an ill wind that blows no one any good."

All the teachers in one and two room schools are required to meet here on Saturday before the first Monday in October, at which time the clerks of the district boards will give them the school supplies and sign their contracts.

Merchants say, with the uncertainty of prices, they are having a hard time. They have been selling sugar at 25 cents, and expect to sell it at 20 cents this week.

There is to be a new ware house at Dillwyn this season, and farmers are told that good grades of tobacco are going to sell well.

Hixburg

Since seeing that the Editor has reported my absence for several weeks, I will again answer to the roll call.

Well, there have been quite a number of happenings in this part of our county in the last two weeks, among which was the marriage of Miss Clara Ford to Mr. Crawford, of Lynchburg.

The following teachers from here have left for their respective schools—Prof. J. Talmage Davis, to Rome, Ga.; Miss Hattie Fore, to Mt. Airy, N. C; Miss Carrie Hix and Miss Alice Gilliam, to Richmond.

Miss Mary Marshall left on Tuesday morning for South Boston, where she will attend school this session. Also Miss Rosa Lillian Fore left for Richmond to again enter school.

A fine looking man from Richmond drove up to Hixburg several days ago enquiring the way to the home of Mr. E. P. Sears, and one of the boys of our village took great care in giving him the right directions. But this same young fellow was heard to say if he had for one moment caught on to the Richmond fellow's mission he would have headed him down the Hurtsville road with orders to keep straight ahead. Now, boys, don't keep quiet so long and then say what you would have done. Several fellows from away from here have recently invaded this part of our fair land only to leave us robbed of some of our best and most beautiful women.

Miss Kathleen Browning, en route from Buffalo, N. Y., to Richmond, stopped here for several days with Mrs. McCue, and was accompanied home by her mother, who has been spending the summer here.

Mrr. H. B. Swan, of Bluefield, W. Va., was a visitor to relatives here last week.

Mrs. H. M. Marshall, whose severe illness we made mention some time past, died on Thursday last and was buried on Saturday at 3 p. m. in the family plot at this place. Services were conducted by the Revs C K Hobbs and J. C. Lepe. Mrs. Marshall's popularity was expressed by the unusual large crowd in attendance and the many floral tributes, the tomb being completely covered. The family has the sympathy of the entire community.

Forest View

Everybody is so glad to see the sun, after so much rain.

Saving the tobacco crop is the farmers' cry now. So much to do and no hired help to be found.

Mrs. T. H. Layne and three children, Robert, Erma and Ethel, have returned to their home in Northhampton county, after spending several days with her parents, Mr. and Mrs. R. W. Martin.

Mrs. Hunter Wooldrige and children have returned to their home in Lynchburg, after spending a week with her father, Mr. Thomas Nash. She was accompanied home by her niece, little Erna Wooldrige.

Mr Loyd Nash has returned to his home in Richmond, after a short visit to his father, Mr. Thomas Nash.

Mr and Mrs. J. A. Martin were visitors in the home of the latter's parents, Mr. and Mrs. Archer Wooldrige, last week.

Miss Pearl Caldwell and brother, Clark, were visiting in this neighborhood last Saturday and Sunday.

Wesley Chapel

Protracted services, conducted by Rev. Lambdin, closed Sunday night. Splendid sermons and very good crowds. We hope much good has been accomplished.

Mr. Archer Wooldrige is on a visit to his son, Mr. Frank Wooldrige, in Grifton, N. C. He will also visit relatives in Petersburg and Drewry's Bluff while he is gone.

Mrs. J. A. Martin, near Spring Mills, is with her mother, Mrs. Archer Wooldrge, this week.

Mr. Rexford Martin, of Delaware, was the guest of his sister, Mrs B. C Sims, Saturday night. He left for his home Sunday morning.

Miss Mabel Wentworth left Sunday for New York to attend the burial of her brother, whose body was shipped from here last Wednesday.

Mr. Hawksley, daughter and daughter in-law returned to New York Sunday, after spending six weeks in his new home. He has bought a part of the old Furnish tract and built, so as to have a summer resort; this lies on the Harvey road.

Little Mildred Sims, after spending a week with grand parents near Spring Mills, has returned home.

John K. Stinson

John K. Stinson, 59 years of age, a resident of Wingina, died Sunday evening at the Lynchburg hospital of erysipelas. His body was taken to Wingina for burial.

Mr. and Mrs. H. A. Drinkard returned to Lynchburg Sunday after a visit to her parents, Mr. and Mrs. J. H Patteson

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

Why Suffer?

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back — especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset.

TAKE

CARDUI

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for *your* trouble.

The Certain-teed Guarantee as a Basis for Estimating Roofing Cost

The Certain-teed guarantee provides a basis for estimating the approximate cost per year of your new roof.

Certain-teed Roofing, Number 3 Heavy, is guaranteed for fifteen years. It usually lasts longer.

Taking fifteen years as the assured life and dividing the unusually low cost of Certain-teed, as compared to most modern types of roofing, by this figure, you readily see how economical Certain-teed is.

The light and medium weights of Certain-teed are also guaranteed, five years for the former and ten years for the latter.

In addition to its durability, Certain-teed is weather-proof, fire-retarding and spark-proof.

And it costs less to buy, less to lay and less to maintain than any other type of good roofing.

See a Certain-teed dealer about roofing. If he hasn't enough of the weight you want in stock he can quickly get more from a nearby Certain-teed warehouse or distributing center.
